EMPLOYEES' FEEDBACK ANALYSIS REPORT

2021-22

Suggestions/ Action Taken

On the basis of the analysis of employee's feedback result 2021-22, would like to put forward the following suggestions to the college authority vis-à-vis the governing body of the college.

1. About 33.3% of employees reported about the poor canteen facilities, therefore necessary steps were taken to minimize the problem regarding the duration of canteen hours, rate of the food items etc.

   No any other serious issues were identified in this category of feedback.
